Fennville Public Schools  
COVID-19 Case Update  
October 9, 2020

Fennville Public Schools will share regular updates on the District website [www.fennville.org](http://www.fennville.org). When a positive case is reported to Fennville Public Schools staff, we will work with the Allegan County Health Department to ensure the safety of our students and staff.

As of October 9, 2020, the COVID-19 statistics for Fennville Public Schools for the 2020-2021 school year are as follows:

Students confirmed positive: 0 this week; 1 YTD

Staff confirmed positive: 0 this week; 0 YTD

Students quarantined: 11 this week; 13 YTD

Staff quarantined: 1 this week; 1 YTD

Note: All exposures requiring quarantine to date occurred outside of school.

For the safety of our school community, please remember to screen yourself and your children daily for symptoms of COVID-19. Anyone experiencing symptoms must not come to school. Consult the Allegan County Health Department or your health care provider for advice should symptoms appear.
