FENNVILLE, MICHIGAN 49408

## COVID-19 Case Update February 23, 2021

Fennville Public Schools will share regular updates on the District website [www.fennville.org](http://www.fennville.org). When a positive case is reported to Fennville Public Schools staff, we will work with the Allegan County Health Department to ensure the safety of our students and staff.

As of this date, the COVID-19 statistics for Fennville Public Schools for the 2020-2021 school year are as follows:

In-Person Learning Students Confirmed Positive: 1 this week; 64 YTD  
In-Person Learning Students in Quarantine: 12 this week; 423 YTD

Staff Confirmed Positive: 0 this week; 20 YTD  
Staff in Quarantine: 2 this week; 24 YTD

Remote/Virtual Students Confirmed Positive: 0 this week; 3 YTD  
Remote/Virtual Students in Quarantine: 0 this week; 12 YTD

We have been notified that a person who was present in the Pearl/Admin wing behind Fennville Middle School on February 18 developed symptoms of COVID-19 within the following 48 hours of being on campus.

Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by Allegan County Health Department and/or Fennville Public Schools.

Due to widespread infections with COVID-19 within our community, the ACHD recommends parents continue to assess their children prior to leaving home. Symptoms to be watching for are (new/different/worse from baseline of any chronic illness):

1. Temperature 100.4 or higher signs of fever (chills/sweating)
2. Sore throat
3. Uncontrolled cough
4. Difficulty breathing or shortness of breath
5. Diarrhea, vomiting, or abdominal pain
6. Severe headache
7. Loss of taste or smell

It is recommended that your child be tested for COVID-19 if they get any of these symptoms. You can call 2-1-1 or go to [www.michigan.gov/coronavirustest](http://www.michigan.gov/coronavirustest) for testing locations.

For further questions, call ACHD's COVID-19 Hotline at 269-686-4546.
