

# FENNVILLE PUBLIC SCHOOLS

"Educational Excellence, Community Atmosphere, Global Vision"

FIVE MEMORIAL DRIVE  
FENNVILLE, MICHIGAN 49408

---

November 1, 2020

Greetings Fennville Families:

In the past week we have had a number of Fennville students and staff test positive for COVID-19 due to exposure outside of school. As a result, several students and a few staff members who were in close contact are required to quarantine for 14 days.

With safety measures in place we have been able to limit the spread of the virus at school. However, we have many students at Fennville High School under quarantine. To further limit the risk of spread, all students in grades 9-12 only will switch to remote learning for two weeks beginning Monday, November 2 through Friday, November 13. Tech Center classes will also be remote for Fennville students. Students in grades K-8 will continue to have in-person classes.

On Monday, high school staff will make arrangements for those who need to pick up technology or other materials for remote learning.

Please remain diligent in screening children each morning and keeping students who are ill at home. Encourage your families in healthy practices to help keep our schools in session.

Sincerely,

Jim Greydanus  
Superintendent
