Informational/Discussion/Presentation Items

1. The Administrative Team presented a plan to realign the administrative positions since a Director of Secondary Student Services was not identified in the latest round of interviews. The plan includes hiring a secondary assistant principal and an elementary assistant principal to support the needs in each building. The plan also includes having Terri Metcalf lend her expertise to leading the MTSS and PBIS teams in each building to build the systems of support for our students. The Board will be asked to approve the creation of the assistant principal positions at the September 20 meeting.

2. We have not coordinated a schedule for the strategic planning process with Michigan Leadership Institute. This will be discussed at the September 20 meeting.
