## 5. Insurance Requirements:

Contractor shall, at its sole cost and expense, procure and maintain in full force and effect, throughout the term of the Agreement, the following insurance from companies licensed or approved to do business in the Commonwealth of Michigan, or through a qualified self-insurance program approved or registered by or with the Commonwealth and acceptable to FENNVILLE PUBLIC SCHOOLS, in the forms and on the terms and conditions specified herein. All insurance companies must maintain a Best's Insurance Guide rating of at least "A-" and a financial size of at least Class VII for companies licensed in the Commonwealth or Class X for companies approved but unlicensed in the Commonwealth. Except as specifically provided herein, all such insurance shall be written on an occurrence basis.

A. General liability insurance with no self-insured retention, and with no endorsements excluding or limiting coverage, including, but not limited to, contractual liability coverage, naming FENNVILLE PUBLIC SCHOOLS and the Commonwealth of Michigan and their directors, officers, employees and agents as additional insureds, with an endorsement stating that the coverage afforded the additional insureds shall be primary and noncontributory to any other coverage available. Such coverage shall have limits of coverage, on a stand-alone basis or in combination with excess or umbrella coverage, of not less than \$1,000,000 combined bodily injury and property damage per occurrence and \$2,000,000 per annual aggregate. All such policies shall expressly include coverage for products-completed operations hazard with limits of at least \$1,000,000 per occurrence and \$2,000,000 in the aggregate. The coverage for products-completed operations hazard shall remain in effect for four (4) years following completion of all work contemplated in the Agreement or the period of the warranty for the work, whichever is longer. Applicants shall provide evidence coverage for contractor's pollution and/ or lead paint based risk consistent if applicable with the scope of work contemplated, in such amounts as FENNVILLE PUBLIC SCHOOLS may reasonably require, whether by endorsement to the required general liability policy or other means acceptable to FENNVILLE PUBLIC SCHOOLS.

B. Automobile liability insurance written on the current Insurance Services Office's commercial auto form or its equivalent, with no self-insured retention, naming FENNVILLE PUBLIC SCHOOLS and the Commonwealth of Michigan and their directors, officers, employees and agents as additional insureds, with an endorsement stating that the coverage afforded the additional insureds shall be primary and noncontributory to any other coverage available, and with limits of coverage, on a stand-alone basis or in combination with excess or umbrella coverage, of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage, covering owned, non- owned and hired vehicles;

C. Workers compensation insurance (with statutory limits of coverage and no deductible) and employers liability insurance (with limits of coverage of not less than \$100,000 per accident, \$100,000 per employee by disease and \$500,000 policy limit by disease and no deductible) endorsed for all states in which work is to be performed under the Agreement (including, without limitation, Michigan);

D. Professional liability insurance naming FENNVILLE PUBLIC SCHOOLS and the Commonwealth of Michigan and their directors, officers, employees and agents as additional insureds (except with respect to Health Care Providers under the Medical Care Availability and Reduction of Error (MCARE) Act), with an endorsement stating that the coverage afforded the additional insureds shall be primary and noncontributory to any other coverage available, and with no endorsements excluding or limiting coverage, as follows:

(1) "Participating Health Care Providers" under the MCARE Act must have statutory limits and must participate in the MCARE Fund;

(2) "Non-participating Health Care Providers" under the MCARE Act and other providers of professional services (including, but not limited to, social and legal services providers and those health care providers who are not "Health Care Providers" under the MCARE Act) must have limits of coverage of not less than \$1,000,000 per occurrence and \$2,000,000 per annual aggregate and no-self-insured retention.

(3) Professional liability insurance may be written on a claims-made basis, provided, however, that the policy permits Contractor to purchase extended reporting period coverage ("Tail Coverage") upon termination of the policy.

(a) In the event that insurance is written on a claims-made basis, Contractor hereby agrees to maintain, following termination of such coverage or of the Agreement (whichever is earlier), professional liability insurance, covering claims arising out of occurrences during the term of the Agreement, whether by (i) purchasing additional policies of insurance with no exclusion for prior occurrences and the option of purchasing appropriate Tail Coverage, or (ii) purchasing the appropriate Tail Coverage. Tail Coverage for medical professional liability coverage shall be of unlimited duration. All other Tail Coverage shall be maintained for a period of not less than the greater of six (6) years or as required by law, following termination of the Agreement or of such claims-made coverage (whichever is earlier). In no event shall any such Tail Coverage provide limits of coverage lower than the limits of coverage required herein for professional liability.

(b) In the event that Contractor elects to maintain insurance written on a claims-made basis, these undertakings (and the provision of certificates or policies of insurance evidencing compliance with the same, as further specified below) shall survive termination of the Agreement.

E. All-risk or special form property damage insurance, naming FENNVILLE PUBLIC SCHOOLS and the Commonwealth of Michigan as additional insureds and loss payees, insuring as they may appear the interests of Contractor, FENNVILLE PUBLIC SCHOOLS and the Commonwealth of Michigan in all personal property, fixtures and improvements to real estate funded or supplied by FENNVILLE PUBLIC SCHOOLS, whether titled to Contractor or to FENNVILLE PUBLIC SCHOOLS. Such coverage shall be written for the full replacement value of the property in question without penalty or deduction for coinsurance or deductible greater than \$500.00 and shall be amended as necessary to reflect changes in inventory.

If Contractor has contracted with FENNVILLE PUBLIC SCHOOLS for any prior period(s) and has in force general liability or, if applicable, excess insurance, written on a claims-made basis, covering claims arising in connection with its performance under contract with FENNVILLE PUBLIC SCHOOLS during such period(s), Contractor shall maintain said insurance during and for a period of not less than the greater of six (6) years or as required by law, following the term of the Agreement (whether by (i) purchasing additional policies of insurance with no exclusion for prior occurrences and the option of purchasing Tail Coverage, or (ii) purchasing the appropriate Tail Coverage); provided, however, that all other terms and conditions are otherwise met. In the event that Contractor elects to maintain insurance written on a claims-made basis, as provided in this paragraph, this undertaking (and the provision of certificates or

policies of insurance evidencing compliance with the same, as further specified below) shall survive termination of the Agreement. Whenever Contractor has insurance written on a claims-made basis, Contractor shall provide FENNVILLE PUBLIC SCHOOLS with a copy of the policy's declaration page indicating the retroactive date of the coverage.

Contractor shall provide FENNVILLE PUBLIC SCHOOLS with certificates of insurance evidencing compliance with FENNVILLE PUBLIC SCHOOLS's insurance requirements prior to performance under the Agreement. All certificates shall evidence the agreement on the part of the insurer to provide FENNVILLE PUBLIC SCHOOLS with prior written notice of any non-renewal, cancellation, or modification of coverage, or of any impairment greater than \$100,000 of the aggregate insurance available as a result of loss no later than the time period for a notice of cancellation as set forth in the policy. Any language on the certificate which states that the insurer will "endeavor to" mail such notice and any language stating "but failure to do so shall impose no obligation or liability of any kind upon the insurer affording coverage, its agents or representatives, or the issuer of this certificate" shall be deleted.
